Attn: Municipal Heritage Advisory Committee

His Worship the Mayor and Members of City Council:

It is my pleasure to nominate Danielle Byl to the Municipal Heritage Advisory Committee on behalf of Tourism Saskatoon.

Danielle has been an employee of Tourism Saskatoon since May 2021 as our Membership and Visitor Services team member. She is now our Stewardship Lead working directly with our Destination Marketing Partner Hotels and over 400 members. Danielle has over 10 years working in the heritage sector at Historic Royal Palaces in the UK, as well as nearly 15 years working in the tourism sector in Canada and the UK in a variety of roles.

We have particularly appreciated her customer service, operational, and organisational skills and we think that her strong interest in heritage and sense of community would make her a great addition to the Municipal Heritage Advisory Committee.

If you have any questions, please don't hesitate to contact me.

Sincerely,

Steph Clovechok
Chief Executive Officer
