Hello;

I am worrying as a concerned citizen Renaud the gathering restrictions you are attempting to place on what you are calling "the unvaccinated".

I have one question for every counsel member that I would like to ask in person during this meeting.

"Why are you ignoring natural immunity in all of your decision making?"

I have about 60 current scientific studies on the fact that natural immunity is far superior the vaccine waning immunity regardless of the number of boosters you have planned, yet it is irresponsibly ignored.

Thank you,

-Kira DeCoste
