My wife and I own 3 different properties in Saskatoon and therefore pay a significant amount of taxes to the City.

As far as we are concerned the city has absolutely NO RIGHT to limit gathering sizes. You are not only negatively impacting people's lives and livelihoods by doing so, but causing irreparable damage to their mental and emotional health

People need gathers, need to socialize, need to attend church and worship, etc.

Should you proceed with these reckless and ill thought out COVID restrictions it will cause more harm and damage than good. Enough is enough!

Regards,

Dean Del Frari
