Subject: Bylaw on Gathering Size

Message: I am strongly opposed to your push for a bylaw limiting gatherings after your ill-advised pressure on the provincial government for the same was turned down. This is not what the mayor of a city is elected to do. I do not pay taxes to have you intrude on what I do in my private residence. This is nothing but blatant virtue signalling. Please do not persist in this intrusive and totalitarian behavior. Get vaccinated if you wish.

Sit at home in the dark if you wish, but don't try to restrict gatherings in my personal residence.
