City Saskatoon

Province Saskatchewan

Postal Code [REDACTED]

Name of the organization or agency you are representing (if applicable)

Subject Limitations on gathering s

Meeting (if known)

Comments

Enough. What is going on in this country is illegal, illogical, immoral, and ethically wrong. Government overreach at this point is nauseating, I implore you to break the cycle of this overreach this morning. There is no scientific basis for limiting gatherings. This was proven when the state of Florida was compared to other states. All you are doing is continuing the degradation of our society. Have you noticed the Amish and Hutterites are fine? Have you noticed that the countries with the highest Vax rates have the highest cases and deaths? There is also zero scientific evidence that unvaxxed spread more than the vaxxed. BC has even admitted that these restrictions are not about transmission but about forcing people to get vaccinated. Stop dividing our people and perpetuating this utter nonsense. Stop repeating we can clearly see doesn't work, maybe start looking at what countries with low case rates are doing. Restore the doctor patient relationship and get rid of the politics. You are damaging our society and individuals. You are doing a disservice to this community. Stop blinding following nonsense that is destroying this country and prolonging this pandemic, which is really endemic at this point.
