Comments

As a citizen and Taxpayer who has lived in Saskatoon for over 30 years, I am dismayed by the track this council has taken recently, especially with regards to the proposed bylaw to limit gatherings. Beyond the fact that it is unenforceable, it is outside of this councils jurisdiction and appears to be aimed at punishing people based on their health choices. Stick to fixing roads and getting rid of bike lanes, and leave the health decision to the proper authority, the provincial government.
