Meeting (if known) Bylaw to Limit Gatherings

Comments

I am sincerely concerned regarding the proposed COVID-19 gathering restrictions bylaw. This is an absolute overreach of council's authority to enact public health orders. The people of the city of Saskatoon and those that visit and work in Saskatoon daily have already been negatively impacted by COVID-19 and the measures applied. The only practical effect that this proposed bylaw would achieve is to put an increased strain on mental health services and more.
