We should be applying our efforts to Covid 19 in a better way! We don't need to separate people. What do you think will happen? A constant divide is what will help end Covid 19. Absolutely not. I feel strongly against this. I don't support Charlie Clarke if he passes this bylaw. I feel strongly that unifying people regardless of medical status is a huge mental health relief for everyone! You cannot do this and should this follow through I will not vote Charlie Clarke. Stand up for your people !!!
