Hi Adam,

Thank you so much for the information. Meewasin has worked with Sustainability on the budget for that item that includes Meewasin projects. We were hoping to be available to answer questions if there are any but do not require a formal speaking opportunity on the item.

Apologies, my first email wasn't clear on that. Thanks,

Hi Amy,

If your intent is just to watch the proceedings and not interact with Council you can view the livestream at the following link:

<https://www.saskatoon.ca/city-hall/city-council-boards-committees/live-video>

If you are wanting to speak to the item you can use the following link:

Hopefully that helps, and please let me know if you have any questions or concerns.

Adam
