

PUBLIC NOTICE
WILLOWS NEIGHBOURHOOD
PROPOSED CONCEPT PLAN AMENDMENT

Saskatoon City Council will consider amendments to the Willows Neighbourhood Concept Plan submitted by Dream Development Ltd. The amendments are shown on the map below and consist of the following:

- 1) Removing the requirement that all residential development be incorporated as part of a condominium and provide for one-unit dwellings to be developed on fee-simple lots;
- 2) Reconfiguring the golf course;
- 3) Land use changes including:
 - Providing for a hotel/spa and limited commercial uses on a commercial site and neighbourhood node located west of, and adjacent to, Cartwright Street;
 - Providing for municipal reserve parcels;
 - Accommodating an increase in the number of dwelling units and density within the neighbourhood while still maintaining a density below the standard for Saskatoon neighbourhoods by reconfiguring the westerly portion of the neighbourhood and providing for medium density multiple unit dwellings in this area;
- 4) Inclusion of an additional 7.4 hectare (18.3 acres) development area adjacent to Cartwright Street referred to as the “North Development Area”;
- 5) Provision for access to the western residential area of the Willows from Cartwright Street, including access onto Lorne Avenue;
- 6) Provision for access onto Highway 219 (Lorne Avenue) with southbound left-in and northbound right-out turns;
- 7) Additional local roads developed as public right of way; and
- 8) Inclusion of signalized intersections at Cartwright Street & Lorne Avenue and Cartwright Street & Clarence Avenue.

REASON FOR THE AMENDMENT – The proposed amendments to the Willows Neighbourhood Concept Plan will provide for a redesign primarily to the western portion of the neighbourhood to accommodate additional residential development, a hotel and limited commercial development that is complementary to the golf course community.
