Hello,

Although I am not a resident of the ward that the Dream Development's proposal for a Nordic Spac at Willows Golf course is located, I wanted to still express my support as a citizen of Saskatoon. My family does use the Willow's Golf Course in the winter for x-country skiing and snow shoeing and also the facilities for special events. I am an Active Lifestyle Consultant, with my work focusing on increasing physical activity through access, opportunity and built environments. It is my opinion the Nordic Spa and related amenities would positively contribute to Saskatoon's built environment for physical activity for both physical and mental health benefits. This goes beyond the potential economic impact of the development. I have no affiliation with Willows or Dreams Corporation, but wanted to ensure my voice was heard in full support of this exciting venue and its benefits for ALL citizens of Saskatoon and area.

Thank you.

Don and Adelle
