Comments

Thank you for the opportunity to provide feedback on the draft 2022-2025 Strategic Plan. I am pleasantly surprised to see such a large response from the public survey (538 responses). I appreciate that the comments received were paraphrased and, where appropriate, pulled together into themes in order to present a report to Council. Can Administration also provide the complete comments from the feedback? This is an important document and taxpayers took the time to provide their thoughts. Please also allow our comments to stand as submitted. Thank you.
