Meeting (if known) Budget Deliberation Package

Comments

Below is a letter that was submitted for the budget deliberation packages 2 weeks ago. It was original submitted by Michael Patola on behalf of the Ward 2 civics committee. As was you letter from the Pleasant Hill Community Association 2-3 weeks ago. I am not sure why they were not included in the budget deliberation packages.

Please confirm these were received as this is the second time we are submitting them.

Letter from the Ward 2 Civics Committee.

Nov. 25, 2021

Attn: Your Worship and City Councilors,

We the undersigned are writing to request that City Council continue to support including the Industrial – Residential Interface Study in the upcoming budget for 2022-2023. This Study and efforts to address non-compatible land use issues has been highly anticipated by many in our community for several decades. This Study in particular arises from recommendations made by this Committee and also City Council in 2020, but ultimately from the West Industrial Local Area Plan that was approved by City Council in 2004. As the report outlines, sites of industrial-residential interface are not limited to the West Industrial. We are requesting that you include this important project in the upcoming budget as it is a necessary step towards ensuring a healthy future for Saskatoon.

Thank you for your support in ensuring this study begins next year, and for your openness to fully exploring the very real and ongoing negative impacts of these industrial interfaces on Saskatoon's residential communities.

Sincerely, ^[1]_[SEP] Adam Pollock, Pleasant Hill resident

and the Ward 2 Civics Committee:

Senos Timmon – Meadowgreen resident

Lenore Swystun – Caswell Hill resident

Michael Patola – Riversdale resident

Donna Leszko – King George resident

Lucille Fergusson – Westmount resident

Barb Biddle – Montgomery Place resident

Ken Jacobi – Holiday Park resident

Frank Dodd – West Industrial resident

Carmen Dell – West Industrial resident
