BACKGROUND

The Ministry of Government Relations completed a review of the Municipal Revenue Sharing (MRS) Grant program in 2018-2019. One of the main objectives of the MRS Grant review was to provide recommendations on how the grant can encourage more effective local governance. To support this objective, the ministry implemented annual eligibility requirements for municipalities to receive their unconditional Municipal Revenue Sharing Grants. The 2020/21 fiscal year marked the first official year of reporting on this declaration.

DISCUSSION/ANALYSIS

According to the Ministry of Government Relations, all Saskatchewan municipalities will report their compliance with the eligibility requirements to the ministry by submitting the Declaration of Eligibility annually.

The Declaration of Eligibility is an online form which will be generated by the ministry on an annual basis. In addition, municipalities who are not in compliance with one or more of the eligibility requirements may also see their MRS Grant withheld, until compliance is achieved.
