

GOVERNANCE AND PRIORITIES COMMITTEE

2022 Appointments – Boards, Commissions and Committees

Recommendation of the Committee

That the recommended appointments to Boards, Commissions and Committees and any further direction, as noted by the City Clerk and attached to this report, be approved.

History

At its November 22, 2021 Regular Business meeting, City Council made its annual nominations and appointments to the majority of boards, commissions and committees with the exception of the Albert Community Centre Management Committee and the Marr Residence Management Board.

In accordance with the recruitment process for controlled corporations and statutory boards, and the Director Recruitment & Nomination Protocol regarding City of Saskatoon nominations to the Board of Directors of the Saskatoon Airport Authority, citizen appointments to the controlled corporations, statutory boards, and the SAA Board are made in December.

The above appointment recommendations are attached for City Council's consideration at this time, along with any outstanding or arising appointment recommendations.

It should be noted that appointment recommendations to the Remai Modern Art Gallery of Saskatchewan and Saskatoon Gallery and Conservatory Corporation Board of Trustees are anticipated to be submitted to the January 31, 2022 Regular Business meeting.
