

# Referral List – Standing Policy Committee on Environment, Utilities and Corporate Services – January 2022

## ISSUE

Administration is providing an update on referrals for the Standing Policy Committee on Environment, Utilities and Corporate Services as of January 2022.

## BACKGROUND

A list of referrals for City Council and its Committees are maintained; as items are dealt with or reported on, the lists are updated to the current status and provided for information.

## CURRENT STATUS

Administration has undertaken a review of referrals for the Standing Policy Committee on Environment, Utilities and Corporate Services (see Appendix 1). The list contains the subject matter, date of meeting, the Division the matter was referred to, resolution, or portion of it, that was referred, and the current status of each item, as provided by Administration.

## NEXT STEPS

Updated lists are provided to Committee approximately every six months, namely January and June of each year.
