Comments

I hate to "nag" or "harass" the Council over a matter, but I do have to make a request here. I know nothing of the bureaucratic process here, however, this is a time sensitive matter. I submitted the request on the 12th of December, thinking that it would be dealt with in the December meeting, however I see now that I did not meet that deadline. The matter was debated in the January meeting, and now will most likely be discussed again in the February meeting (although I see no meeting scheduled on the calendar for the Governance and Priorities Committee). I do have to note that the petition is time sensitive, and will be closed for signatures on the 2nd of March. As such, I would like to request that the Request for a Motion to Endorse this Petition, and that the Motion to Endorse the Petition itself, be treated as an urgent matter, and be dealt with at the earliest convenience of His Worship and the Council.
