Shellie,

The Public Art Advisory Committee, at its meeting held on May 14, 2021, considered your email below and reviewed its Terms of Reference. In addition, I canvassed the members in a reminder email last week.

The Committee has no feedback to submit at this time.

Thanks,

**Subject:** Governance Review - Advisory Committees - Terms of Reference

Hi all, would you please place this before your Advisory Committees at its May meeting for feedback to be provided no later than June 1, 2021. You'll want to include a copy of the TOR on the agenda as well so it's fresh for them.

The Governance and Priorities Committee, at its meeting held on December 9, 2019

considered a report of the Standing Policy Committee on Environment, Utilities and Corporate Services regarding the above and resolved:

That the Leadership Team Governance Subcommittee be directed to evaluate the revised Terms of Reference of the Advisory Committees at the appropriate time.

Now that the Terms of Reference have been in place since beginning of 2019, the Leadership Team Governance Subcommittee invite the Committees feedback on any suggested revisions.
