Naming

Requested name: Charles Mills

Requested use of name: Park

Background Information (Reason for name request):

Charles, or Chuck as we called him was a valued member of our department, he was always working hard and took anyone new under his wing. He was a leader in this room and would never turn down a tough assignment.

If you have submitted a person's name, please provide a short biography (Given name, date of birth, place of birth, contributions, awards, achievements or other related information):

Charles John Mills, Born June 1, 1954, passed away September 11 2012. He didn't receive much of the recognition he deserved. As a laborer with technical skills in the City, employees are often not the most heralded. But he still came in every day with a smile on his face, willing to get dirty and sore for the City of Saskatoon. He was born and raised in the Big River area, moving to Saskatoon as a young adult. He loved spending time with his children and grandchildren.

Chuck is the second of three great men this department has lost in a short time. We rarely feel appreciated on a day-to-day basis it would go a long way for closure for us, but also in showing the city cares for the men and women that put in hours for them.
