Background Information (Reason for name request):

Hello, the reason for my name request is to honour my father who has humbly served Saskatchewan and Saskatoon for over 41 years presently. He has been a dedicated family physician to the people of Saskatchewan. Dr. Arun Nayar isn't just an average physician. He has numerous awards, achievements and accolades within medicine, but it is that he is a humble servant of the people of Saskatchewan which he loves so dearly. Doctors are known for working long hours, but it is well known that no one works as hard as my father. He loves his patients. He has a larger patient load than any other physician. My Dad has given his life to medicine serving the people of Saskatchewan. He is exceptional as a physician and as a human. He is so kind, caring, compassionate, sincere, dedicated and humble. He is my hero. My Dad truly is Saskatchewan. He knows only about caring about his patients. It's what drives him. Looking after people is God's work. He has taught us that our lives must be used to serve society and help people. It is hard to find a group of people that haven't heard about how kind Dr. Arun Nayar is. His patients and everyone that knows him can't help but love him.
