Attn: Mr. Charlie CLARK
Mayor of Saskatoon
Canada

Dear Mr. Mayor!

Let me assure you of our deep respect and inform the following.

Chernivtsi City Council appeals to you for support in connection with the current situation in Ukraine, which is at war, has been under constant brutal attacks by the armed forces of the Russian Federation since February 24, 2022 and is experiencing a major humanitarian crisis, including civilian casualties.

It should be noted that the city of Chernivtsi and Bukovyna became a refuge for people who moved here, hiding from bombing and rocket fire. According to preliminary estimates, today it is approximately 100,000 people, of whom 40,000 have officially applied for help, and their number is growing daily. People who have settled with us receive hot food, necessary things, and we fully equip their lives and provide everything they need to be provided. And this is an extremely heavy burden on the city of Chernivtsi.

The main purpose of this letter is to ask you to consider the possibility of providing humanitarian aid, namely: professional/industrial washing machines and dryers for social laundry for evacuees who have been forced to leave their homes and are currently in Chernivtsi.

We sincerely appreciate your continuous support of the city of Chernivtsi at this difficult time for Ukraine on the way to protect its territorial integrity and sovereignty, and thank you in advance for your help!

Sincerely,

Roman KLICHUK,
Chernivtsi city mayor
