Standing Policy Committee  
on Planning, Development, and Community Services

Dear Committee Members:

**Re: Civic Naming Committee Report – First Quarter 2022  
(File No. CK. 6310-1)**

---

Please consider the following at your meeting scheduled for March 14, 2022.

At its meeting held on March 3, 2022, the Civic Naming Committee considered the attached two submissions that were deferred at the December meeting and a report of the General Manager, Community Services Division, requesting the Committee's direction with respect to 12 new general naming requests. Two delegations were heard.

After *In Camera* deliberations, consideration of the criteria and guidelines set out in the naming policy, and consultation with the administrative resource members, the Committee publicly resolved to recommend to the Standing Policy Committee on Planning, Development and Community Services:

1. That the following be added to the Names Master List (Unassigned):
  - 'Jinnah'
  - 'Michael Greyeyes' (subject to family approval);
  - 'Blakley'; and
2. That the report of the General Manager, Community Services Division dated March 3, 2022, be forwarded to City Council for information

The Committee resolved to defer consideration of the 'Hayton' and 'Chattopadhyay' applications to its June 2022 meeting pending further information, and received the remainder as information.

Sincerely,

**Janice Hudson**  
Committee Assistant
