Naming

Requested name: Brittany E Walter

Requested use of name: All

Background Information (Reason for name request):

My family recently lost my aunt, and she was a beautiful soul. She will be missed every single day of the rest of our lives, and I pray that this request is approved because she was the kind of person that should be remembered and memorialized. People like this are a once in a lifetime occurrence and I just hope she will be here for everyone to remember for generations to come.

If you have submitted a person's name, please provide a short biography (Given name, date of birth, place of birth, contributions, awards, achievements or other related information):

Her name was Brittany Elizabeth Walter, she was born June 22nd, 1991, she was a beautiful soul and I believe that she deserves to be immortalized.

I know I can't provide any information on achievements or contributions so she might be overlooked but if there was ever a person who was able to be picked out of a group for being a genuinely good soul it would be Brittany. She would spend her days off work searching for underprivileged children in the community that sold lemonade and would buy their days' supply just so they could make all the money possible they could. She was a beautiful soul.
