Comments

In September of 2019, and while I was a member of Saskatoon City Council, I had the opportunity to visit our twin city, Chernivtsi. During my visit, my host arranged for me to visit the University, an elementary school, a fire hall, city hall, and a Diaspora museum. I had the opportunity to speak with the public servants first hand. I found the people of Chernivtsi to be very interested in Saskatoon. I was able to arrange for a virtual meeting between the Saskatoon Fire Department and members of IAFF Local 80 and the Chernivtsi Fire Department, and they have maintained an ongoing dialogue. The people of Chernivtsi are warm and welcoming. I am heartbroken by the war that has been waged against Ukraine. I would urge Saskatoon City Council to rise up and assist our twin city in their time of need. Please continue to foster the relationship that has been developed with the people of Chernivtsi. I have no doubt that they would be here for Saskatoon.

Thank you for your consideration. I wish you well in your deliberations.
