

Appendix 1 - Saskatoon Emergency Management – COVID-19 Response Levels

	Purpose
Watch	Emergency Management Organization (EMO) and Departments monitor COVID-19 impacts on City staff and services. Positive staff cases are managed with existing resources.
Level I Elevated Watch	Using 401 (status report) process, Departments notify EMO if there is a potential COVID impact on City services.
Level II Response	Multiple Departments are experiencing City service disruption due to COVID-19.
Level III Complex Response	Emergency Coordination Committee (ECC) is fully activated. Closure of City services required due to impact of COVID-19.
