Mayor

Dear Mr. Mayor and Councillors,

It's about time you let the citizens of Saskatoon get back to living life on our own terms. Why are Saskatoon residents still forced to cover our faces in city facilities? To extend these mandates is absolutely ridiculous. We can go anywhere else in the city and interact with people, but have to put a mask on to enter a city facility or a bus. This is probably the most insane thing any government has done. Extending these mandates will certainly cause me to lose the last thread of faith I have in our municipal government. I defy you to explain the logic in spending hours at an indoor performance with thousands of other unmasked people, then taking a 20 minute bus ride home with maybe 50 people and be forced to wear a mask. I'm hoping that you will let common sense prevail and stop creating these divisive mandates.
