History

The Governance and Priorities Committee, at its regularly scheduled meeting held on March 21, 2022, and special meeting held on March 24, 2022, considered the DEED project governance model and amendments to the DEED Group Composition and Terms of Reference.

The Committee's report with respect to the above is submitted as agenda item 9.5.1.

During the respective *In Camera* sessions, the Governance and Priorities Committee considered confirmation of the voting member agency representatives and appointment of the voting member representatives from a public open call to the DEED Advisory Group.

Your Committee respectfully submits the above recommendations in this regard.
