Naming

Requested name: Jamie Fetter
Requested use of name: Park

Background Information (Reason for name request):

Jamie Fetter was an outstanding employee who regularly went above and beyond his duties as an irrigation utility person, he was loved by everyone on our crew. He was a very friendly, family-oriented person with intelligence to match his wisdom and patience. We will always remember him, but it would mean so much to us to have him immortalized on a park. He put so much care and love into his job, it would be a shame to not honor him in this way. He was an absolute beauty of a human being and he is missed every day.

If you have submitted a person's name, please provide a short biography (Given name, date of birth, place of birth, contributions, awards, achievements or other related information):
