## **Curbside Organics Program - Cart Size**

### **Recommendation of the Committee**

1. That the criteria outlined in the April 11, 2022 report of the General Manager, Utilities and Environment be used to determine which properties are eligible for a smaller cart size as part of the initial deployment of the Curbside Organics Program in 2023;
2. That Administration provide an interim report in quarter three of 2023 on consideration for variable green cart sizes; and
3. That consideration be included in the report for Communications of the rollout of the Green Cart Program for the Council members to provide insights from their knowledge of their Wards to support an effective rollout of the program.

### **History**

The Standing Policy Committee on Environment, Utilities and Corporate Services, at its meeting held on April 11, 2022, considered a report from the Administration regarding the above.
