Name of the organization or agency you are representing (if applicable)

Subject Keep the masks, please

Meeting (if known) Agenda 10.4

Comments

As someone who rides the bus nearly every day, I would like to support maintaining the mask mandate on Saskatoon Transit. This is because during rush hour, buses can get pretty packed, meaning that without mandatory masking, it can take just a few COVID-positive people on buses to cause harm to the city's economy, as people will either have to stay home, or work sick, both of which would not be that great for the economy.
