Special Events Parking Permit

A special event parking permit provides short-term, on-street parking privileges, under special circumstances, typically for infrequent not-for-profit or charitable events at locations such as schools, places of worship and other institutions. Permits are issued to provide patrons some relief from time restriction regulations when longer duration demand is anticipated for special parking that cannot be accommodated off-street. Permits are \$28 per event, per area, based on 2022 rates.

Tour Bus Parking Permit

Tour Bus Parking Permits are used by tour bus operators to park at any of the yellow tour bus parking meters. Each permit is valid for a maximum period of 24 consecutive hours and allows a tour bus to park at any designated tour bus meter without having to pay the hourly rate. The permit indicates both the time and date of expiry. Permits are \$30 each.
