### **Recommendation of the Committee**

That the information be received.

### **History**

The Standing Policy Committee on Planning, Development and Community Services, at its special meeting held on June 16, 2022, considered a report from the Administration regarding the above. Your Committee received a letter from Cameron Choquette, CEO, Saskatchewan Landlord Association.

Your Committee also resolved that at the appropriate time the Administration report back about the risks of not having Innovating Housing Incentive funds in 2023 and options for a contribution to the Affordable Housing Reserve for capital in 2023 and a phased in and indexed operating contribution going forward for Affordable Housing work.
