**Subject:** Report to Council

Good Morning Adam,

I hope this email finds you well. This is a follow up to my previous email sent on Monday.

Please accept this as my letter of intent to report to council on the \$10 000 donation made so the Saskatoon Firefighters. This money was used to assist our sister city of Chernivtsi Emergency Services department. The money was used to purchase and ship various communication pieces to Chernivtsi to help protect and server their citizens and the influx of displaced people they are seeing.

Thank you,

Jay Protz
