**Re: Zoning Bylaw Review Project – SaskPower Letter of Support**

SaskPower has been asked to provide a letter of support for the City of Saskatoon's Zoning Bylaw Review Project in relation to the proposed changes to the Landscaping Regulations and Guidelines.

SaskPower actively participated in the stakeholder engagement related to the City of Saskatoon's Zoning Bylaw Review Project which includes proposed amendments to address utility/landscaping conflicts and could provide flexibility for required tree planting locations where utility constraints exist on a site.

The City of Saskatoon has been a valued customer and partner to SaskPower and we appreciate the opportunity to have our feedback considered. SaskPower supports the proposed bylaw changes outlined above.

Yours truly,

**SASKATCHEWAN POWER CORPORATION**
