==Naming==

Requested name: Gowen Rd. or Gowen St.

Requested use of name: Street

Background Information ( Reason for name request): The Water & Waste Operations group is planning on renaming the Dundonald Ave. S (from south of Landfill Access Rd. to Spadina Cres W.). This will provide clarity to citizens based on the purpose it serves to customers, contractors, employees and others as Recovery Park construction has already started.

If you have submitted a person's name, please provide a short biography (Given name, date of birth, place of birth, contributions, awards, achievements or other related information):

The operations team is suggesting the name to be Gowen Rd or Gowen St.

Charles Gowen was a City of Saskatoon landfill operator, whose actions sparked advancement in knowledge of Plains people 6000 years before our ancestors arrived here. He uncovered two such sites to the east of this future road prior to expansion of the landfill.

Additional comments: I have already started this process with Tanner Halonen starting April 2021. He is well in loop with this renaming project.
