

STANDING POLICY COMMITTEE ON TRANSPORTATION

McOrmond Drive Multi-Way Boulevard – Winter Level of Service

Recommendation of the Committee

1. That Option 4 – New Access Road and Angled Parking LOS be approved: when snowfall accumulation is 10 cm or more, snow will be graded within 72 hours and removed within 2 days;
2. That Administration includes the new service level for multi-way boulevards in the Snow and Ice Management service level document; and
3. That operating funding required to support the New Access Road and Angled Parking LOS, based on forecasted progress of development along these corridors, be included in the indicative rate in the Snow and Ice Service Line in future Multi-Year Business Plan and Budget submissions.

History

The Standing Policy Committee on Transportation, at its meeting held on October 3, 2022, considered a report from the Administration regarding the above.

Your Committee puts forward the above recommendation, however the vote was not unanimous.
