His Worship Mayor Clark and Saskatoon City Council:

I am writing to Saskatoon City Council to speak in favor of the Midtown Shopping Centre North Parking Lot, north of 22nd Street between 1st and Pacific Avenue as the preferred location for the new Downtown Event Centre / Arena.

The proximity of the Downtown Event Centre / Arena to Riversdale where many small business owners like myself have invested to rejuvenate this Historic Commercial District, is a logical choice to bring people back to our Downtown and Riversdale.

We see a strong sense of community here and attracting shows, events, and conventions to this area will help create jobs and showcase the best of Saskatoon and all we have to offer.

Choosing Riversdale to establish our business was based on a host of factors, and the new arena and convention centre will help this area and the people reach their full potential.
