Subject: Do not approve of a downtown arena location

Message: I like the arena where it is. I attend events there all the time. I am a Blades season ticket holder. I go to many country and rock concerts. I have been to many sporting and special events there over the years. I occasionally see the Mayor there, but I don't remember seeing anyone else from City Council there - ever! When the World Juniors were in Saskatoon, we did take the bus system to get to the arena. We also used the bus system for the Garth Brooks concert. At those times the bus rides were somewhat organized. For most events I would rather take my car. We sometimes do go for food or drinks after the hockey games. (if we don't have to go to work the next day) It's usually not in the downtown though. It's at a restaurant or lounge somewhere else in the city. We need to support those businesses also. Downtown Saskatoon doesn't have enough parking now, nor a good bus ride system. If the present arena needs a bigger kitchen, then build an addition onto the arena. I do not approve either of the proposed downtown arena sites.
