Subject: Arena center

Comments:

Your surveys never asked the question "Do you want a downtown Center?"

Myself and many more believe that it is NOT NEEDED because what we have now is already very good. They aren't run down dumps like the promoters are saying. All this plus we can't afford it, no matter how you spin it for the tax payers who can't even afford groceries.

Will you be submitting a video to be vetted prior to council meeting?: No
