

STANDING POLICY COMMITTEE ON ENVIRONMENT, UTILITIES AND CORPORATE SERVICES

Climate Action Plan – Progress Report 2021

Recommendation of the Committee

1. That the reporting timeline set out in Appendix 2: Climate Action Plan: Reporting Timeline be approved in principle; and
2. That the Administration report every second year on Climate Action Plan progress (including emissions inventories, Low Emissions Community Plan, Corporate Climate Adaptation Strategy, and other relevant sustainability strategies).

History

The Standing Policy Committee on Environment, Utilities and Corporate Services, at its meeting held on November 7, 2022, considered a report from the Administration regarding the above.

In addition, your Committee also resolved that in anticipation of the 2025 Climate Action Plan Refresh, that the Administration report on options to meet revised international climate targets, such as Net Zero and that the report be forwarded to the Saskatoon Environmental Advisory Committee for information.
