## Circle Drive West Functional Planning Study – Final Report

### Recommendation of the Committee

1. That the Recommended Plan of the Circle Drive West Functional Planning Study be added to the Saskatoon Transportation Master Plan (STMP) Infrastructure List for future prioritization;
2. That the Circle Drive West Functional Planning Study and 11<sup>th</sup> Street West Grade Separation Concept Plan be listed together as a common construction project on the STMP Infrastructure List;
3. That the Administration proceed with developing alternative neighbourhood access concepts for Montgomery Place, including stakeholder engagement, that does not include at-grade rail crossings and report back when complete; and
4. That the Administration engage with regional partners about alternative access between Highway 7 and Circle Drive South.

### History

The Standing Policy Committee on Transportation, at its special meeting held on November 9, 2022, considered a report from the Administration regarding the above.

Your Committee received presentations from Laura Erickson, Barb Biddle - Montgomery Place Community Association, and Jim McAllister. Comments from Brian Howells were read in his absence.

Communications from the public considered at the meeting, are also attached.
