Dear Councillor,

I understand from our Montgomery Place Community Association that the City is planning to change the access into Montgomery Place from Circle Drive.

I wasn't aware that this was happening and haven't had an opportunity for comment or input.

I am requesting that the City defer making any decisions on this project until there has been proper consultation with community residents.

Thank you,

Your name

Joanne Cliff

I do not wish to speak to council but I would like to suggest that leaving the exit as it is to access 11th St west if the CN train is blocking 11th, and then building the new 11th St exit for traffic to flow easily to 11th St East when a CP train is blocking the tracks---
