

**2022 Municipal Heritage Advisory Committee Work Plan Review**

<b>Work Plan Item</b>	<b>Role of MHAC</b>	<b>Role of Administration</b>
Continue to move forward on Elder Consultation or Committee	Lead. This is an initiative of MHAC.	None.
Review Heritage Policies and Plan	Support and Prioritize. Potential to support on targeted research.	Lead. Coordination with MHAC for any supporting activities.
Work with Administration on Securing Additional Funding for the Heritage Conservation Program	Support. Research on external grants and programs could be undertaken.	Lead. Internal funding strategies and reports.
Research for other potential sources of Heritage Conservation funding	Support and Prioritize. Potential to support on targeted research.	Lead. Included in 2023 Proposed Capital Project.
Continue to look at having more properties designated, including the Northeast Swale and Bessborough Hotel	Lead. MHAC could prioritize properties for further conversations and support Administration in the conversations.	Formal reporting on designation would be led by Administration but resources are limited to pursue designations.
Identify areas that are heritage landscapes and heritage conservation districts.	Lead. Identification and prioritization of sites could be undertaken by MHAC.	Support. Proactive identification is not currently part of the Heritage Program. Formalizing these requests would need to be prioritized and accounted for in a future work plan.
Identify adaptive re-use opportunities for castle schools like King George and Pleasant Hill Schools.	Limited. MHAC could identify potential reuse opportunities and consider discussions with the property owner or share information with other Heritage organizations to pursue discussions with the property owner.	None. This is responsibility of property owner.
Keep open discussions regarding intangible heritage in Saskatoon.	Lead.	Support. Administration needs to develop a formal program to address intangible heritage for consideration by Council.

<b>Work Plan Item</b>	<b>Role of MHAC</b>	<b>Role of Administration</b>
Education of business owners about designation.	Lead. MHAC could pursue discussions with individual property owners.	Support. Responding to requests for designation and other questions requires Administration.
Heritage preservation and usage of signage.	Lead. MHAC could develop a proposal on this topic.	TBD, Support. Administration would need to prepare any formal reporting if policy or program changes are required.
Review the holding bylaw and its current inherent inconsistencies (for example castle schools and some residences).	Lead. MHAC could review and prepare information on this topic.	Support. Administration would need to prepare any formal reporting. Included in 2023 Proposed Capital Project.
Explore best practices around tangible and intangible heritage of other cities.	Support and Prioritize. Potential to support on targeted research.	Lead. Included in 2023 Proposed Capital Project.
Explore options to support Wanuskewin's UNESCO bid.	Lead. MHAC could develop a proposal on this topic.	Support. Administration has been involved in discussions with Wanuskewin and will continue to support.
