I want to add my voice to the large group of people who are not happy about the proposed changes to montgomery place. By cutting off an entrance into the neighborhood you greatly increase the wait time at the 11th street light. Not only will residents be effected but also the large number of people coming from all over the city to access the gordie howe sports center. That concern pales in comparison to the concerns of emergency services accessing our neighborhood. Why can't you just leave our neighborhood alone? We have this ridiculous city councilor that can't be relied on to represent us in any way. Coming up with idea to completely destroy the neighborhood with overpasses and increased noise. Please, even if you do not represent us, vote no to this awful plan. We may not be able to rely on our councilor Gough but I'm hopeful the rest of the council will see the reality facing our neighborhood.
