2. That the Science theme be applied to the Blairmore Urban Centre;
3. That the Geology theme be applied to the Parkridge extension; and
4. That the report of the General Manager, Community Services Division dated December 8, 2022, be forwarded to City Council for information.

The Committee also resolved:

1. That Administration report back as part of the Legacy Review with options for public education including pronunciation guides for recently applied and upcoming place names.

2. That the Administration provide pronunciation guidance and brief education material be provided on the City of Saskatoon website in regard to the names in the 2022 quarterly reports.
