Comments:

I am a taxpayer in Ward 4 and I have questions on expenses claimed by my Councillor.

\$500 is being claimed for NSBA: 30th Annual Golf Classic Sponsorship. Sponsorships by other Councillors are for neighbourhoods within their wards. Why is my Councillor sponsoring a business event at the Moon Lake Golf &

Country Club? This seems to be an annual expense for him. As the Council Lead on the Recreation, Culture and Leisure Strategic Priority, is that why the claim is allowed?

\$4,193.51 is being claimed for Outdoor Recreation Partnership with Canadian Tire & Ward 4 Community Assocs. This is actually the second part of a December 2021 purchase of 5 snowblowers for each Ward 4 rink. While it is a kind gesture, how does it fit into the Council Communications and Constituency Relations Allowance Policy? Under Constituency Relations, the listed examples are very small (magnets, table prizes, etc.). Have any other Councillors ever bought equipment for their wards?
