His Worship the Mayor and Members of City Council:

I am writing as the subcommittee of Council, the Standing Policy Committee on Planning, Development and Community Services met and is supporting Option 3 for the development around the two protected swales in North East Saskatoon.

I apologize for my ignorance in the processes and procedures that have been in use in decision-making.

I think it is important that we safeguard some boundaries and borders to protect our Swales, and think both should be connected to each other. I am also wondering, as Treaty Partners, what kind of in-depth discussion and consultation was done with Saskatoon Tribal Council, or other Indigenous groups, as the use of public lands was and is, a treaty issue, as would be the development of lands that are currently available for use for ceremony and traditional uses.

Grateful to live in Saskatoon, and in Treaty 6 territory.

Nobuko Iwai
