Comments:

I urge City Council to adopt the Swale Boundaries suggested by the Swale Watchers organization. The Meewasin Valley Authority boundaries are an improvement over the original but still not enough. We have lost so much of our

native grassland and associated plants and animals. This is an opportunity for the City of Saskatoon to protect a valuable ecological asset for the benefit of ourselves and future generations. Thank you for considering this important commitment to our natural environment.

Will you be submitting a video to be vetted prior to council meeting?: No
