**Name of the organization or agency you are representing (if applicable):** Swale Watchers

**What do you wish to do ?:** Submit Comments

**What meeting do you wish to speak/submit comments ? (if known)::** Swale boundaries

**Comments:**

Follow the advice of Swale Watchers and follow their environmentally sensitive development plan, not the current plans. The Swale is vital habitat for sharp tailed grouse which are under threat and must be protected. I love coming to Saskatoon and visiting the Swale but won't be able to anymore if the development goes through as planned.
