

Parents furious **Men allowed into girls' changing room at Calgary Canyon Meadows pool, Self - Identifying as Women.**

Canadian city councilor **David Kirton (Saskatoon) defends adult males Self - Identifying as Women in girls' public pool locker rooms.**

Parents protest gender-confused man's uninhibited use of girls' locker room at a **Saskatoon (Shaw Centre) public pool.**

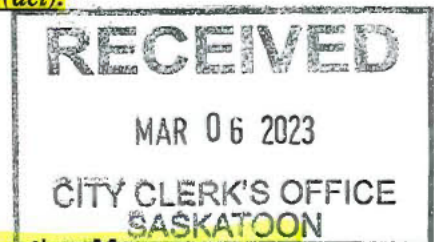

Despite demands for the City of Saskatoon to take action, **municipal and provincial officials have refused to step in.**

A parent is outraged in Calgary that a **naked man was hanging out in the little girls changing room** at Canyon Meadows Pool. "My kids are taking swimming lessons at the Canyon Meadows pool in Calgary all this week," the concerned parent said. "I was waiting with my son outside in the lobby for my daughter, when a parent came out to let me know that a man was changing in the women's change room while my daughter and some other girls were changing after swimming lessons." The concerned parent went into the changing room to inspect and found the naked man just finishing up with the washroom. **"He had his penis hanging out around little girls."**

I confronted the pool staff about this to let them know that I was uncomfortable with a man using the change room and walking around with his penis hanging out with my daughter in there," the concerned parent said. **"I was then told they are protected under the humans right (act)."**

City of Saskatoon & City of Calgary Mayor's & Council, and Parks & Recreation Management,

Get your act together!

Men naked in Public Public Fitness Facility & Aquatic Centre Locker Rooms, in the same Locker Rooms as Women and Young Girls exposing their **Male Genitalia** has nothing to do with the **Canadian Human Rights Act (CHRA)** or **any Provincial Human Rights Legislation**. Pull your heads out of the back of your Ass, give your heads a good shake, and sort yourselves out accordingly! A MAN saying he Self - Identifies as a WOMAN is not GENDER REASSIGNMENT. The **WOKE LEFT LIE** that Transvestites are lumped into the category of TRANSGENDERS within the **LGBTQ2S+ Alphabet** is part of a much bigger **LIE**. Ask any TRANS SEXUAL Person who has completed the Hormone Therapy and Sexual Reassignment Surgeries from One Sex to Another, and they will tell you Transvestites are part of the big **WOKE LEFT LIE**. Men dressing up as Women is not an excuse to use the change room of another Sex, and expose your Male Genitalia to Young Girls and Women in a Public Aquatic Centre Change Room. It is an excuse for Pedophiles to normalize their behavior in Public Places as being a Protected Right by Canadian & Provincial Human Rights Acts. It is part of the **WOKE LEFT CANCEL CULTURE** larger plan to normalize this behavior as acceptable in Society.

It is disgusting that I have spent the majority of my Adult Life serving the Canadian Armed Forces, Canada, all Canadians under Sworn Oath to Her Majesty Queen Elizabeth II for over thirty years, and Canadian City Mayors and Council allow this inappropriate behavior to go on in City Operated **Publically Funded** Fitness and Swimming Pool Facilities, that are Criminal Acts under the **Criminal Code of Canada (CCC) Section 173**.

Transvestite (plural **Transvestites**) - A person who sometimes wears clothes traditionally worn by and associated with the opposite sex; typically a male who cross-dresses occasionally by habit or personal choice. The Canadian Medical Association and Canadian Psychiatric Association describe this mental illness as **Transvestic Mental Disorder**.

The cause of the Transvestic Mental Disorder is unknown. Cross-dressing has been reported to produce excitement in childhood, which can progress to sexual arousal during puberty. If a person ages and the practice is repeated and encouraged, the urge to cross-dress may get greater, even as sexual pleasure decreases.
